

A RACE FOR THE HANDICAP.

KENWOOD BEATS BADGE IN THE BEST TIME FOR THE TRACK,

But the Little Horse Made a Game Run on His Appearance—Favorable Division Wins—British Four Miles.

There was a slight falling off in the attendance at Guttenberg yesterday, but the betting ring was jammed as usual, and many thousands of dollars changed hands on the results without the threatened interference. The race of the day was the Convenient Handicap, at one mile and a furlong.

The fast and game little horse Badger made his first appearance for a long time in this race, and his admirers sent him to the post an odds in favor at 5 to 1. Benedictine rated next in favor at 5 to 1, pressed by Kenwood at 4 to 1. Lambey sent Kenwood to the front at the start, Hamilton holding Badge back in the bunch until Kenwood had set the pace for a mile. Badge was then sent for the race, but the best the favorite could do was to reach Kenwood's flank at the finish, Kenwood winning by a length in 1:56, the fastest time ever run on the track at the distance. Benedictine came in third, three lengths behind Badge.

Michael F. Dwyer's mare Meriden was a 5 to 3 favorite in the handicap at five furlongs, the field of six going at odds from 61 to 100 to 1. Kitty Van, Meriden, Daisyian, and Flambourne ran in a cluster to the turn into the home stretch. Kitty Van at 8 to 1, leading the field by a length. Meriden sent for her at a length. Dwyer's colt Joe (formerly Extra Dry) with Hamilton riding, was a favorite at 100 to 1, which was the best of the day. Michael, 4 to 1, with Taral up, beating Joe by a head. While the field of eleven horses were lined up, in the last race, a terrible roll of thunder started, followed by a tremendous clap of thunder. A rail in the saddle, broke away and ran four miles. Mr. United started the race before him. He had a race at the start, first choice at 2 to 1, lost the place by two lengths from Mr. United, landing him winner by two lengths from Armie, 10 to 1.
